The above nomination procedures are required for all individuals desiring to attend a course. All geographic areas have agreed to a single point of contact, the [Geographic Area Training Representative \(GATR\)](#) for the most efficient coordination of courses. This process allows for prioritization and tracking of nominations. An incomplete nomination form could affect your selection to attend a course. If you are unfamiliar with who your GATR is please refer to the “Geographic Area Map” link on this website.

If you have any questions about a course, contact the course coordinator for additional details. Be certain that all course prerequisites have been met prior to submitting a nomination form. The individual signing off on the nomination form (by supervisor or FMO) is certifying that nominee is qualified for the course.
